

DEREK CONWAY TD MP

HOUSE OF COMMONS

LONDON SW1A 0AA

31st July 2009.

Dear Mr. Garner,

Thank you for your email about the abuse of parking spaces in Morrisons car park.

I appreciate your suggestion of an Act of Parliament to regulate against women in two-door coupe motor cars parking in parent & child spaces, but I do not think this would gain support. *— POSSIBLE SARCASM RETURNS!*

This is a matter for the owners of the car park, Morrisons, and as shopping at their store is not mandatory, it is open to customers who do not like the arrangements to shop elsewhere.

Kindest regards,

Yours sincerely,
